## EST&P

### State Login

#### Login Screen

The screenshot shows the NULM Login interface. At the top left is a [Home](#) link. In the top right corner, there is a user icon and links for [Forgot Password](#) and [Activate User](#). The main form contains the following elements:

- Enter User Name**: A label above a text input field.
- User Name :**: A label for the first input field.
- Password :**: A label for the second input field.
- Captcha :**: A label for the third input field, which displays the CAPTCHA text **F E P F G V** with a green checkmark.
- Enter the Captcha :**: A label for the CAPTCHA input field.
- Enter CAPTCHA Text**: An annotation pointing to the CAPTCHA input field.
- Click to activate user**: An annotation pointing to the [Activate User](#) link.
- Click to Login**: An annotation pointing to the **Login** button.
- Click to forget password**: An annotation pointing to the [Forgot Password](#) link.

At the bottom of the form, there are **Login** and **Cancel** buttons, and a message: **Username and Captcha are not case sensitive.**

After entering the “User name”, “Password” and “Enter the Text” then press the “Login” button to login. If you forget your password, then click to “Forget Password” link to change password and if you login id is blocked then click to “Active User” link to activate the login id again. If all the user credentials are ok then this screen appears otherwise you will get the error message.

The screenshot shows the State Login success page for Haryana. At the top left, it says **State Name : Haryana**. At the top right, it says **You are Login as : HRSMMU** with a [\(Log Out\)](#) link. Below this is a navigation bar with the following links: [Home](#), [Target](#), [ESTP](#), [SIMID](#), [SUH](#), [SUSV](#), [CBT](#), [Financial Component](#), [Report](#), [Graphical Report](#), [Help](#), [Temporary Data](#), [Admin](#), and [Old ESTP](#). Below the navigation bar, there are four links: [User Guide](#), [Process Flow](#), [Suggestions/Feedback](#), and [Feedback Report](#). A **Home Page** button is also present. At the bottom left, it says **Ministry of Housing and Urban Poverty Alleviation**. At the bottom right, it says **Design and Developed by NIC MoHUPA Division**.

**Forget Password:** By clicking forget password you can change your password.

The screenshot shows the 'Reset Password' form. At the top left is a 'Home' link. The form contains the following elements and annotations:

- Enter User Name :** A text input field with an annotation box 'Enter User Name' pointing to it.
- Generate OTP :** A button with an annotation box 'Click to generate OTP' pointing to it.
- Enter OTP :** A text input field with an annotation box 'Enter received OTP' pointing to it.
- New Password :** A text input field.
- Confirm password :** A text input field with an annotation box 'Enter Password' pointing to it.
- Save :** A button with an annotation box 'Click to save' pointing to it.
- Cancel :** A button.

User first enter the “**User Name**” and clicks on “**Generate OTP**” button, then OTP comes in to the Users registered mobile no. which was saved in **Update Profile menu**. After entering the OTP user enters the “**New Password**” and then same password enters on “**Confirm Password**” then click in “**Save**” button then password will be updated, and if user wants to cancel the process the click on “**Cancel**” button.

**Activate User:** By clicking activate user you can active your account.

The screenshot shows the 'Activate user through OTP' form. At the top left is a 'Home' link. The form contains the following elements and annotations:

- Enter User Name :** A text input field with an annotation box 'Enter User Name' pointing to it.
- Generate OTP :** A button with an annotation box 'Click to generate OTP' pointing to it.
- Enter OTP :** A text input field with an annotation box 'Enter received OTP' pointing to it.
- Activate :** A button with an annotation box 'Click to activate' pointing to it.
- Cancel :** A button.

If user wants to Activate user then first enter the “**User Name**” then press the “**Generate OTP**” button, then OTP comes in to the Users registered mobile no. which was saved in **Update Profile menu**. After entering all the details press the “**Activate**” button then user will be activated.

**Course:** By selecting this option you can add the courses as well as you can edit the courses. If you select this option then this screen appears.

Click back to go to the list of institute

After modifications, press the “**Update**” button to update your changes. If you don’t want to save the modifications press the “**Back**” button.

## ULB Login

### Login Screen

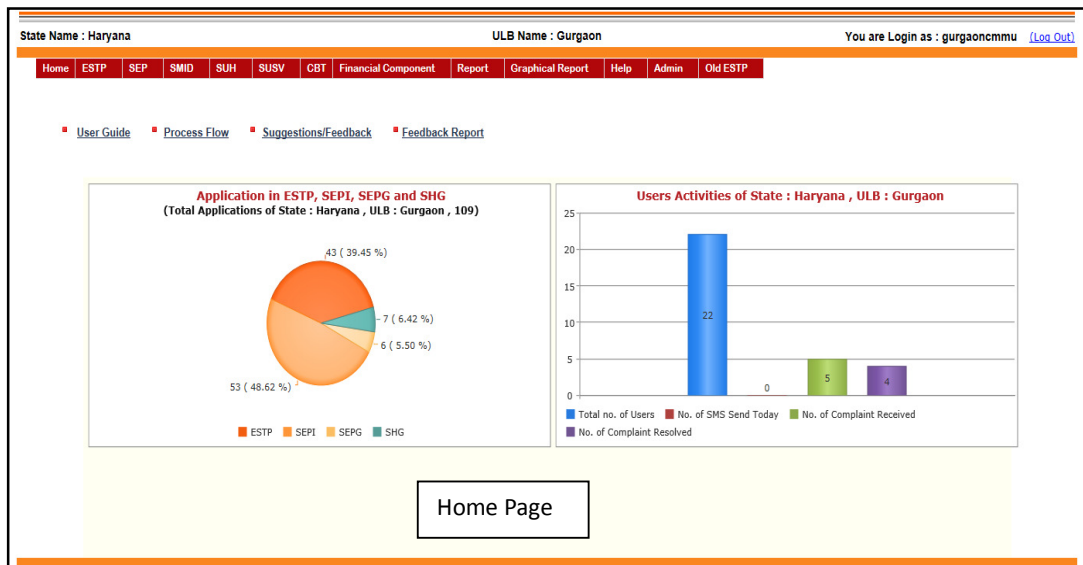

The screenshot shows the NULM Login interface. At the top left is a [Home](#) link. On the right is a user icon and links for [Forgot Password](#) and [Activate User](#). The main form contains the following fields and buttons:

- Enter User Name**: Annotation pointing to the User Name input field.
- Enter Password**: Annotation pointing to the Password input field.
- Enter CAPTCHA Text**: Annotation pointing to the CAPTCHA input field.
- Click to Login**: Annotation pointing to the **Login** button.
- Cancel**: A button next to the Login button.

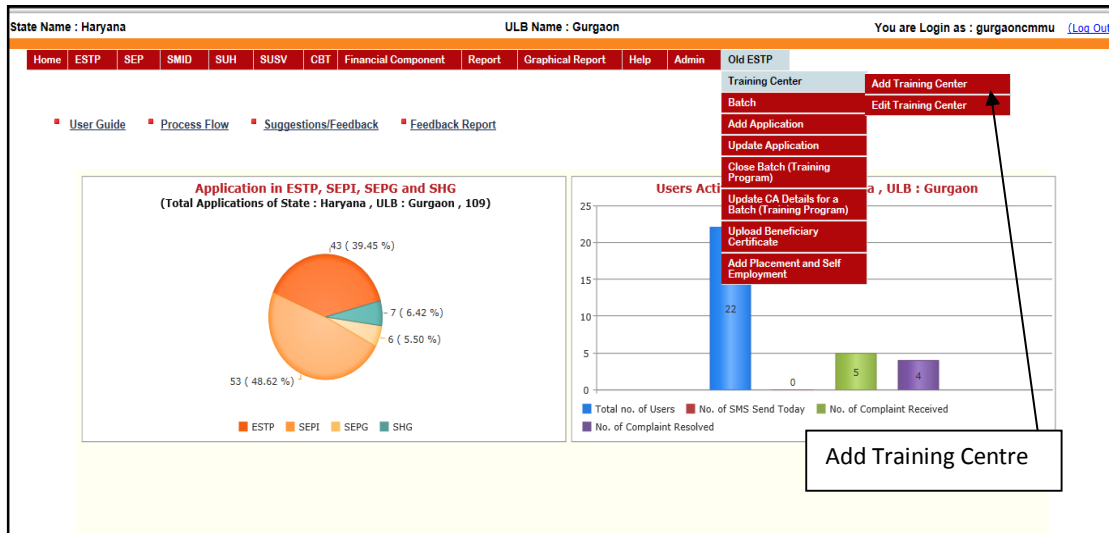

Below the input fields, a red message states: **Username and Captcha are not case sensitive.**

The CAPTCHA image displays the text: **F E P F G V** with a refresh icon.

After entering the “**User name**”, “**Password**” and “**Enter the Text**” then press the “**Login**” button to login. If all the user credentials are ok then this screen appears otherwise you will get the error message.

**Add Training Centre:** By selecting this option you can add the training centre as well as you can edit the training centre. If you select this option then this screen appears.

For adding new training centre select the option “Add Training Centre”. If you select add training centre then this screen appears.

The screenshot shows the 'Add Training Center Details' form. It includes a 'Select Institute' dropdown menu at the top. Below it are input fields for Training Center Name, Contact Person Name, Phone No., Mobile No., Address, Email ID, Username, Password, and Confirm Password. A note states: 'Note : Mobile No/Contact No should not start with Zero.' There are 'Save' and 'Cancel' buttons at the bottom. A callout box labeled 'User credentials' points to the Password and Confirm Password fields.

Select the Institute enter the training centre name, contact person name, phone no., mobile no, address, and email id and user name and password for login by training centre.

**Add Training Center Details**

Select Institute :

Training Center Name :  Contact Person Name :

Phone No :  Mobile No. :

Address :

Course :   
(for multiple selection press ctrl and select)

Email ID :

UserName :  Password :   
UserName Available

Confirm Password :

Note : Mobile No/Contact No should not start with Zero.

Click to Save → Save Cancel

After entering the training centre details press **“Save”** button to save the data.

**Edit Training Centre:** For **editing** the training centre select the **“Edit Training Centre”** option in the submenu then this screen appears. By selecting Edit option you can edit the training centre details. If you select edit then this screen appears.

**Edit Training Center Details**

Select Institute :

Show

For editing the training centre details data select institute and press **“Show”** button. After pressing the show button then this screen appears, by this user can see the list of all training centre which has been created.

**Edit Training Center Details**

Select Institute:

Click to edit details

Training Center Name	Contact Person Name	Phone Number	Mobile Number	Address	Details
